

**567—14.1(455B,455H) Definitions.** The definitions in 2005 Iowa Code Supplement section 455I.2 are incorporated by reference. In addition, as used in this chapter:

“*Department*” means the Iowa department of natural resources.

“*Director*” means the director of the Iowa department of natural resources.

“*Source site*” means the property(ies) on which the source(s) of contamination exists and which extends to or has a causal relationship to the area of concern subject to the terms and conditions of the environmental covenant.
